

Job Description

American Waste/Northern A-1 Services is a leading provider of industrial and environmental services. We have an immediate opening in Kalamazoo, Michigan for Hydrovac Operator.

Responsible for:

Driving truck with a total capacity in excess of 25 tons and the safe operation of equipment.

Requirements:

- Must possess a valid CDL B, plus endorsement and clean driving record.
- 2 or more year's previous experience with oilfield servicing preferred.
- Knowledge of heavy, diesel-powered truck operations including federal, state and local regulations.
- Knowledge of use, repair and maintenance of triplex, high-pressure pump and equipment.
- Knowledge gained from experience with well bore and pumping conditions.
- Knowledge of principles, techniques, procedures related to equipment.
- Must be able to take direction and communicate effectively both oral and written.
- Must be knowledgeable in DOT regulations.
- Problem solving and organizational skills.

Job Duties (include but are not limited to):

- Operating high pressure pump and vacuum to clean industrial, commercial, and residential sites.
- Safe operation of vehicle.
- Monitoring of fluid volumes, pressure and temperature.
- Using controls, such as levers, pedals and buttons.
- Carrying and laying out hoses and joints of pipe from the truck to site.

We offer excellent benefits such as BC/BS, Dental, Vision, match 401K, Uniforms and more.

We are an Equal Opportunity Employer.

Job Type: Full-time
